SUBJECT: Presbytery of Mackinac Per Capita – Union Presbyterian Church

Greetings:

Reference is made to the January 25, 2017 letter sent to the Presbytery of Mackinac by the Session regarding Fiscal Responsibility of the Presbytery of Mackinac and the decision to allocate our 2017 per capita to Presbyterian-based missions; i.e., Presbytery Point and the Angel Free Store. Since that time, the Synod of the Covenant has formed an Administrative Commission to look into allegations of disorder within the Coordinating Council.

In lieu of sending the Presbytery of Mackinac the 2018 per capita allotment, the Session approved sending the monies to Presbytery of Mackinac missions—Presbytery Point and Angel Free Store. Enclosed are checks to be forwarded to Presbytery Point for \$874.00 and to the Angel Free Store for \$874.00.

We continue to keep the Presbytery of Mackinac in our prayers.

Peace and Blessings,

The Session of the Union Presbyterian Church
