

Personnel Report  
20 February 2021

The Personnel Committee is organizing to put together evaluations which are projected to be done this summer. We are also considering ways we might get more input from the Presbytery at large. At our next meeting we will discuss the possibility of putting together a poll or questionnaire to be distributed and compiled using an on-line platform.

The Committee has been informed by Kay Morrill that she intends to stand for the Stated Clerk position again at this Presbytery meeting. At the last Presbytery meeting the term for the Stated Clerk position was extended to two years.

Rev. W.J. Rayment
